REQUEST BY CAROLINA WATER SERVICE, INC. FOR RATE

**MOTION FOR AN EXTENSION OF TIME  
TO SUBMIT TESTIMONY**

---

FORTY LOVE POINT HOMEOWNERS' ASSOCIATION, LOCATED NEAR CHAPIN, SOUTH CAROLINA, moves for an extension of time of ten days (through March 22, 2018) to submit pre-filed testimony in this case and to qualify an expert witness.

The testimony I have in mind will be short (no more than five pages) and easy to incorporate into the proceedings. Forty Love Point needs an expert to make its point in this case regarding our malfunctioning and outdated sewage collection system. Further details have emerged as the case progresses.

Carolina Water Service became aware of our position at a meeting on March 7, 2018 with representatives from Forty Love Point, CWS, and South Carolina Department of Health and Environmental Control.

I called the offices of the attorneys for Carolina Water Service today (Scott Elliott and Charles Terreni) to ask for their consent to this motion. Mr. Terreni indicated that CWS would not consent.

Respectfully submitted by,

/s/ Laura P. Valtorta
